

**2009****Williams Turbojet 285****£8,950 VAT UK TAX paid**

2009 Williams TurboJet 285LP (Low profile version) Powered by the Textron 750MPE Turbo 100HP petrol Jet engine (134 hours). The Turbojet 285 will fire up at a turn of the key and immediately settle into a quiet unobtrusive idle, but throw open the throttle and hold on for a truly exhilarating ride.

Powered by a Weber 100HP engine the Turbojet 285 has a level of performance which belies her size. A sports boat hull ensures she will hold tight in turns even if driven hard, and waterskiers will delight in her ability to track in a straight line - altogether an unexpected experience in such a compact boat.

Able to carry three adults with ease, the Turbojet 285 can also be used for general ferrying duties making her a great practical tender choice for any yacht.

Specification

Stock number:	ES4297
