2024 Ex-demonstrator Makara 620cc. Powered by a Honda 175hp iST outboard with just 10 hours of running. Metallic blue over white. Blue quilted upholstery from Italy. Teak decking with LED deck lighting. This beautifully designed yacht tender can also be a perfect family day boat. Large swim platforms combined with a full-sized boarding ladder makes for easy access from land or water. The open deck and central helm layout also provides plenty of space to relax and unwind. Seating for 8 is impressive for a LOA of just 6.2 metres. The social seating configuration in the bow makes entertaining effortless.
